## Permanent Makeup

## NATURAL APPEARING PERMANENT MAKEUP APPLICATION BY CERTIFIED PMU ARTIST (FW)

## **Body Sculpting & Cellulite**

### **EMSCULPT/ EMSCULPT NEO FOR HIGHER BMI'S**

EmSculpt is the world's only non surgical, non invasive treatment that builds muscle and burns fat. Focused electromagnetic energy stimulates deep, supramaximal muscle contractions that is not possible through regular exercise. Your muscles get a super intense, targeted workout - Abdomen, Buttocks, Thighs, Arms, Calves. EMSCULPT: 4 treatments over 2 weeks: \$3,000 • Single treatments after series: \$400 • NEO: 4 treatments over 4 weeks: \$3,400 • Single treatments after series: \$500

### **SCULPSURE LASER FAT DESTRUCTION (FW)**

Melt your fat away for good! This FDA-cleared, non-invasive treatment uses hyperthermic laser & thermal energy to disrupt fat cells in the treatment area. \$1,200 per area • \$800 each additional • Submental (chin) \$650 per treatment

### **NUERA I THERMISMOOTH SKIN TIGHTENING (FW,WL)**

Newest skin tightening technology available using safe & pain-free radio frequency & heat. Helps to firm skin, smooth cellulite & tighten problem areas. Price based on area. Come in for a complimentary consultation. Typically packages of 6 treatments needed.

### **EON SMART BODY CONTOURING (WL)**

EON is the smart new way to get rid of unwanted fat around the abdomen. EON's novel technology maps the area of the fat pockets. This Algenerated energy painlessly causes fat cell death and the body then gets rid of the destroyed fat cell.

# of TREATMENTS	PRICE	NOTES
1 Treatment	\$1,300	Same area
2 Treatments	\$2,000	Same area
3 Treatments	\$2,500	Same area or full abdomen
6 Treatments	\$4,200	Same area or 2 treatments on full abdomen
9 Treatments	\$5,800	Same area or 3 treatments on full abdomen

## Men's Health

### J-SHOT - PERFORMED BY MD: PENILE ENLARGEMENT

Consult required by physician injector for quote.

### P-SHOT (WL)

The Priapus Shot is a non-surgical male enhancement procedure \$1,900

### **BIG D-WAVE (WL)**

Sound-wave therapy improves blood flow and heightens sensation in the penis, enables stronger, harder erections that last longer, more pleasurable orgasms & quicker recovery. Series of 10 rec'd for maximum efficacy. Noninvasive, painless treatment for erectile dysfunction (ED).

## Women's Health

### **DIVA BY SCITON (FW)**

Non surgical treatment for vaginal rejuvenation. Suitable for most women, diVa stimulates neocollagenes1s (new collagen) and fractionally vaporizes (ablates) micro laser channels in the vaginal canal. 3 days (sexual) downtime.  $1x \$700 \cdot 3x \$1,800$  (three recommended)

### **THERMIVA (FW)**

ThermiVa is a non surgical RF thermal energy vaginal rejuvenation treatment for reversing the effects of childbirth & aging. Vaginal looseness, dryness, lack of sensation, sagging of the labia & bladder issues can be improved. Internal/external tightening. 3 treatment series \$1,800

### **FEMTOUCH (WL)**

With age and childbirth, women notice vaginal atrophy or drynes (common symptoms in post menopausal women) sometimes w/ itching, pain or painful sexual intercourse. Helps with SUI Stress urinary incontinence. Fractional CO, laser resulting in very gentle controlled ablation and coagulation of the vaginal lining. 3 treatment series \$1,800

### **VIVEVE (WL)**

Viveve is a natural non-surgical vaginal tightening procedure. Treatment involves just one 30 minute high powered radio-frequency (thermal energy) treatment, without anesthesia and no downtime. This can increase friction and sensation during intercourse. Viveve treats the condition of vaginal laxity, which results from over stretching the vaginal introital (opening) tissue during childbirth. One treatment recommended \$2,500

### **VOTIVA (WL)**

Votiva offers results w/controlled RF energy, with added improvements over time. Helps with elasticity and wrinkled appearance of the labia and vulva, lowblood flow and sensitivity, pain sensation caused by labial hypertrophy. **3 treatment series** \$1,800

### **EMSELLA (FW)**

Strengthen your pelvic floor muscles. Emsella is like doing 1,200 kegels! FDA cleared Non-Invasive treatment for incontinence. Patients remain fully clothed. Scientific research has shown that 95% of treated patients reported significant improvement in their quality of life. 6 treatments \$1.800

### **O-SHOT**

The O Shot is an all-natural, painless non-surgical procedure that can rejuvenate and revitalize vaginal and clitoral function, giving you dramatically improved sensitivity and significantly enhance your sex life. **Treatment series** \$3.000

\*Current PAP smear report within last 2 years needed before any feminine treatments can be performed. A vaginal examination will be performed at baseline to exclude contraindications. Prior to any noninvasive vaginal rejuvenation treatment series is recommended and begun, a consultation and pre-examination by one of our nurse practitioners is performed.

## Hormone Replacement

### **BIO-IDENTICAL HORMONE REPLACEMENT**

BHRT is one of the most effective and safe forms of hormone therapy available today for women experiencing the side effects of imbalanced hormones. BioTE pellets use hormones derived from natural plant sources to replicate the body's optimal hormonal levels.

- Rediscover mental focus and clarity
- Relief of menopause symptoms & improve libido
- Reduce risk of breast and endometrial cancer
- Increase energy, muscle and bone mass
- Protects against loss of collagen in the skin
- Decreases dryness in the skin

Women & Men: \$250 Initial visit + Follow up to review labs Women: \$350 • Men: \$750 pellet insertion if needed.

### Hair Restoration

### **SMARTGRAFT FUE HAIR RESTORATION (SC)**

First in Austin to offer this new technology! Can be done on thinning eyebrows & scalp. Viable option for men and women looking to restore their own real hair. Schedule a consultation for your quote!

Typically \$6.000-\$12.000

### PRP MICRONEEDLING FOR HAIR LOSS (FW, WL)

Platelet Rich Plasma (PRP) is applied to the scalp. Then the growth factors stimulate hair growth. Suitable for both men and for hair restoration women. **3 treatments** \$2,550

### PRP MICRONEEDLING FOR HAIR LOSS (FW, WL)

Platelet Rich Plasma (PRP) is applied to the scalp. Then the growth factors stimulate hair growth. Suitable for both men and for hair restoration women. **3 treatments** \$2,550

#### **EXOSOME TREATMENT**

Exosomes contain growth factors and can be used in different therapeutic treatments either topically with microneedling to improve texture, tone, firmer and younger looking skin, or the potential for regeneration when used as an adjunct for hair restoration. INQUIRE for pricing
